

## CSA Community Update – Meeting October 22, 2024

- **Next Meeting:** Our next meeting will be held on **19 November at 1200 in H200**.

**Admin Updates:** The CSA team recently hosted a successful Oktoberfest event with positive community feedback. We welcomed two new staff members, Melody Troup as CSS Director and Christie Fox as Accounting and Office Assistant, and are still onboarding Christie. We're finalizing updates to our employee manual. Additionally, CSA is updating SOPs for all sections to improve operations across the board.

**CSS:** CSS has welcomed a few new students recently, and a new dryer was installed to replace the old one. Cleaning issues, especially with the bathrooms, remain a challenge, and we're working with FAC to ensure regular sanitation, particularly given the daycare environment. Health and safety protocols have been strengthened, and further updates will be shared with relevant stakeholders soon.

**Facilities and Infrastructure:** The Fieldhouse bar and QuickShop received a thorough cleaning recently, and we're working with FAC to enhance security by installing a door between the storage area and the QuickShop. We are also reviewing vending machine options, with several proposals currently under consideration.

**Shuttle Service:** The MSF Shuttle service is running well, and our CSA Volkswagen is back in action as the school shuttle, making transport more convenient for families.

**Fieldhouse Events:** Santiago Grill continues to host Taco Tuesdays, and Ermioni's crepes on Thursdays have been very popular. Upcoming events in November include Trivia Night and Friendsgiving, hosted by CLO. Additionally, RSO will hold an emergency preparedness training session on November 7.

**Community Engagement:** The nomination process for the 2025-2026 board will be announced in early November. We encourage anyone interested in shaping CSA's future to consider getting involved.

**Consular CARE Program:** The CARE program will wrap up in early December. Tomorrow, we're expecting a large group for the final intake, and the CSA team is prepared to assist.

**Communication:** If you have any questions, comments, or concerns, please contact the board directly at [Board@CSAfrankfurt.com](mailto:Board@CSAfrankfurt.com). We will work to address your issue promptly.

**CSA Contacts and Feedback Survey:**
