

Alexis Sather arrived in Frankfurt in September 2020 and is a Finance Management Officer in RSC/FSC.

This is her fourth overseas tour, having previously served in Romania, Slovakia, and England. During those tours she realized quickly how important morale is in ensuring that everyone is able to put forth their best efforts, both at work and elsewhere. This past year, when she, like others, has been separated from family and friends due to the ongoing pandemic, it has become even more important to help keep morale up. Therefore, she is excited to bring her experience and commitment to the Frankfurt Consulate Community, particularly in a role that supports community morale and welfare. Her experience includes serving the

Embassy/Consulate community in roles such as Housing Board Representative/President, ICASS member/President, and Bucharest Employee Recreation Association (BERA) member. She lives off-Siedlung and enjoys reading, traveling, baking, studying German, and spending time with family and friends.
