Statement

My name is Susan Brown and I would like to nominate myself to serve on the CSA board. I have experience in volunteering to serve the community at other recreation associations and MWR locations in the world. I believe recreation associations are crucial to boosting morale and having a positive impact on the community at large. I have served in many capacities at previous posts and collaborated with other agencies and the CLO to organize events, new arrival welcomes, meals on wheels, cookouts and the like to help members of our community feel welcome and valued. If given the opportunity I would partner with board members to continue to build on their good work and strive to endeavor how our community association can best serve those who serve. Thank you for your consideration and I look forward to the opportunity to serve the U.S. Consulate Frankfurt community.
