

I would like to join the CSA Board of Directors because I thoroughly enjoy helping the community and I feel the CSA is the primary conduit to that here in Frankfurt. In my current position, I take great pride in ensuring our community is safe and, in addition to numerous other roles, I serve as the primary RSO partner to the CLO and ensure security decisions are coordinated and informed by community concerns. I have served the US for the past 22 years and have always taken the most pride in being able to help others. Whether it was a junior sailor under my leadership, villager in eastern Afghanistan, or one of my four daughters, I've always taken the most joy from helping others succeed. Currently, I am working on finalizing my certification to be a regional Veterans Support Coordinator for the Department and working with the Veterans Support Organization, Team RWB, to start a local chapter here to further support veterans across our community. I believe with my experience and desire to help the community; I would be a perfect fit to serve on the CSA Board of Directors.

All the Best,
DO
