### **Bio**

I am new to the Foreign Service and currently I am enjoying my first overseas tour as an EFM. In addition to working at the Consulate, I also keep busy working as a bartender for the Wunderbar. I have over a year of work experience at the Wunderbar as both a bartender, and occasionally as an administrative assistant for the CSA. Working at the Wunderbar and CSA has been an amazing experience; learning new skills and meeting wonderful people. Assisting with the large events hosted by CSA have given me an insight into how much work is involved in each event.

\*Note – I understand that by serving on the board I would no longer be able to work at the Wunderbar.

### **Statement**

Why I want to join the CSA board is because over the last year and half we have been living in Frankfurt, the CSA has been a large part of our life, between working at the bar, in the administration office and assisting with several of the CSA events. I would like to serve on the CSA board to help continue assisting with the community events, give insight into new and different events, help assist with improved communication between the community and the board and help the CSA become the best it can be.
