

I would like to apply to become a CSA Board Member. I recently arrived in Frankfurt this summer after serving for a year at the Embassy in Baghdad. I am on my seventh tour with

the Department of State and I'm currently assigned to the RIMC section of the Consulate. I'm in Frankfurt with my wife Christine, and our two children, Marta (10) and Walter (7). We have three pets, one dog named Cindy who we adopted in Lithuania five years ago and two kittens we adopted from a rescue shelter in Italy, named Simon and Sophie.

I would like to join the CSA board because it gives me the opportunity to volunteer for this wonderful organization that provides our community with a rich variety of programs and services that my family and I appreciate in our daily lives.

Thank you for your consideration.

Sincerely,
Ken Neijstrom
