Bio

I would like to self-nominate for the CSA Board. I am new to the Foreign Service field and currently serving in my first overseas tour. In addition to working at the consulate, I have enjoyed working as a bartender for the Wunderbar for the last couple of months. *Note – I understand that by serving on the board I would no longer be able to work at the Wunderbar. That is completely fine.

Statement

I feel that I can bring a unique perspective to the board having worked at both places. I look forward to serving my colleagues and believe this opportunity will be a wonderful way to gain further valuable experience in the Foreign Service field.
