

Bio:

Hi, my name is Tyler Hendricks, I am an EFM who has been in Frankfurt with my spouse and twin boys for almost two years. I grew up in the midwest where I attended Iowa State University to obtain my bachelor's degree in marketing. Post college, I worked as a mortgage consultant for a USAA joint venture company, assisting families refinance current loans or purchase a new home. I changed career paths after a few years and have worked in fraud prevention and risk analysis for over nine years. My most recent position was as a Fraud Prevention Analyst specializing in detection, prevention, and analysis of financial crimes for a non-profit in DC. In 2021, I received a master's degree in e Economic Crime Forensics from La Salle University. Outside of work, I enjoy traveling with my family, golfing, and attending sporting events (Go Pack Go!). We have really enjoyed our time here and I look forward to giving back to the community!

"Why I want to join the CSA Board" statement:

I look forward to giving back to the community that offers so much for the families living here. We have had a great experience using the facilities such as CSS, fieldhouse, and gym. I believe I could offer a unique perspective on the services that are available. I have experience working within a team environment for the good of a larger goal. If given the opportunity to join the board, I would strive to continue the great work of the CSA in making sure these resources remain available to all.
